About Studio-A-Rama

Studio-A-Rama is an annual display of WRUW's commitment to supporting local musicians and live, alternative music performances. The concert is an expanded edition of "Live From Cleveland", the station's weekly live music program (Saturdays from 2 pm to 3 pm).

WRUW-FM 91.1 has been broadcasting since February of 1967 and has always strived to present you with a great mix of alternative music. As part of this effort, WRUW has maintained strong support for the Cleveland music scene. Ten years ago the station created the weekly "Live From Studio A" ("Live From Cleveland"'s predecessor), the now-defunct "Reel Live Music" (pre-taped), and the annual Studio-A-Rama summer concert.

Many notable local and national bands have performed on WRUW. For example, some past Studio-A-Rama performers include Love Tractor, Spike in Vain, The Wombats, Death of Samantha, Figures on a Beach, My Dad is Dead, The New Salem Witchhunters, the Vivians, Prisonshake, and Full Fathom Five.

In fact, due to the opportunity for exposure before a concert and radio audience, Studio-A-Rama is now recognized as a major performance opportunity for local musicians. As proof, this year's Band Selection Committee chose the 1990 line-up of nine bands from over 70 audition tapes!

We have strived to present an exciting blend of music for this year's concert. We hope you enjoy the show and that WRUW's 10th Anniversary Studio-A-Rama exceeds your expectations. Thanks for being with us!
